"...and ourselves your servants for Jesus' sake." II Corinthians 4:5b

You have a knack for creating a perfect space. Sometimes that means simply replacing a broken faucet or repairing a crack in a driveway. Other times, you dream of a modern-looking bathroom, a more efficient way to organize the mess of cookware in the kitchen cabinets, or a better way of accessing the highest shelf of the bookcase or pantry.

For over 40 years, Custom Service Hardware has been helping everyone from DIY-minded homeowners to large cabinet shops realize their visions for their homes and projects. We have poured countless hours into creating the best experience for you—providing a wide variety of hardware options, a robust and comprehensive website, the most competitive pricing on the market, informative video guides, and top notch customer service. We'll not only help you find exactly what you need, but also go above and beyond to answer your questions, give you advice, and help you in any other way possible.

CSH will help you take your vision for any project and make it a reality.

Mike Allen, CSH President

WE BELIEVE:

- 1. That our customers must be given the best possible service.
 - 2. That we must keep our operating costs as low as possible—to keep your savings as high as possible.
 - 3. That our business ethics must be consistent with the faith of the owners in Jesus Christ and His Word, the Bible.
- We invite you to write or call our president, Mike Allen. If what we do, does not match what we believe, **we will make it right.**
